Perhaps scheduling thought it had to be together. If separate, might be able to do them at a time that works better.

Are these separate calls or one call? (If the latter, is that ok?)

Am hearing from Liz that Bob would like to do these calls tomorrow. Given the timing of Shawn's meeting, I think that's probably ok but wanted to make sure no one thinks it's essential to do the calls today. Please advise.

These are talking points for Bob's calls today with DOT Deputy Secretary Pocari and Jo-Ellen Darcy at the COE.

Please add me to the invite to these calls so I can listen in.

Adding Shawn for information.

Attached are proposed talking points for Bob's calls on Monday. I sent Nena a note about getting those calls on Bob's calendar, but if it needs further follow up with someone else to make that happen please do.

I am traveling on Monday, but can take a look at blackberry early am if you have anything you think is important to change.

Thanks

Cynthia
